DECLARATION

1. We/I, the undersigned Applicant, intend(s) to enter into a loan agreement for the implementation of the above-mentioned project with one of the partner institutions participating in the Green Economy Financing Facility (GEFF) implemented by the European Bank for Reconstruction and Development

(EBRD), with financial support from the Climate Investment Funds, The Taiwan ICDF and the High Impact Partnership on Climate Action (the project donors).

2. We/I request from the Facility Consultant

- a. informal consultations (including the use of the Online Technology Selector) and / or an assessment of the eligibility of the project
- b. if needed, assistance in the formulation of loan applications to the chosen partner institution and
- c. if and when the project is completed, a project verification may be conducted by the Facility Consultant, or another Verification Consultant appointed by the EBRD.

3. We/I hereby agree and understand explicitly that all services provided by the Facility Consultants are free of charge to us/me and no payment is supposed to be offered by us/me and/or our/my vendors or suppliers to the Facility Consultants, nor may any payment be requested by the Facility Consultants.

4. The Sub-project doesn't involve any activity appearing on the EBRD Environmental and Social Exclusion List.

5. In case of a project eligibility assessment, we/I hereby agree to provide access for the Facility Consultants to our/my facilities and financial, technical and other information requested by the Facility Consultants for the performance of such assessment.

6. We hereby agree that the EBRD, the Facility Consultants and the project donors may publish information about the project, including naming the undersigned company, as a beneficiary under the GEFF in the context of promoting green economy financing and publicising the results/success of the GEFF.

7. We/I understand that we/I shall use the GEFF loan for the implementation of an eligible project only.

8. I confirm that We/I will obtain all necessary consents and statutory approvals (building control, town & country planning etc.) and have authority to install the technologies on the site (including permission from the owner of the facility if applicable).

9. If requested by the EBRD or the Facility Consultants, I agree to give access to any information and/or records related to my project and grant access to the premises where the project has been implemented.

10. We/I confirm that information provided in this Application Form is correct, precise and complete, and filled in to the best of my knowledge.
